WHY CHOOSE US?

We prioritize strong, long-term relationships through clear communication and dependable service. With nationwide coverage, we're ready to support your business growth wherever you are in Indonesia.

AIR FREIGHT

Our air freight service provides fast and reliable transportation for your urgent cargo. We manage the entire process, from booking to delivery, ensuring your goods reach their destination quickly and safely through trusted airline partners worldwide.

OCEAN FREIGHT

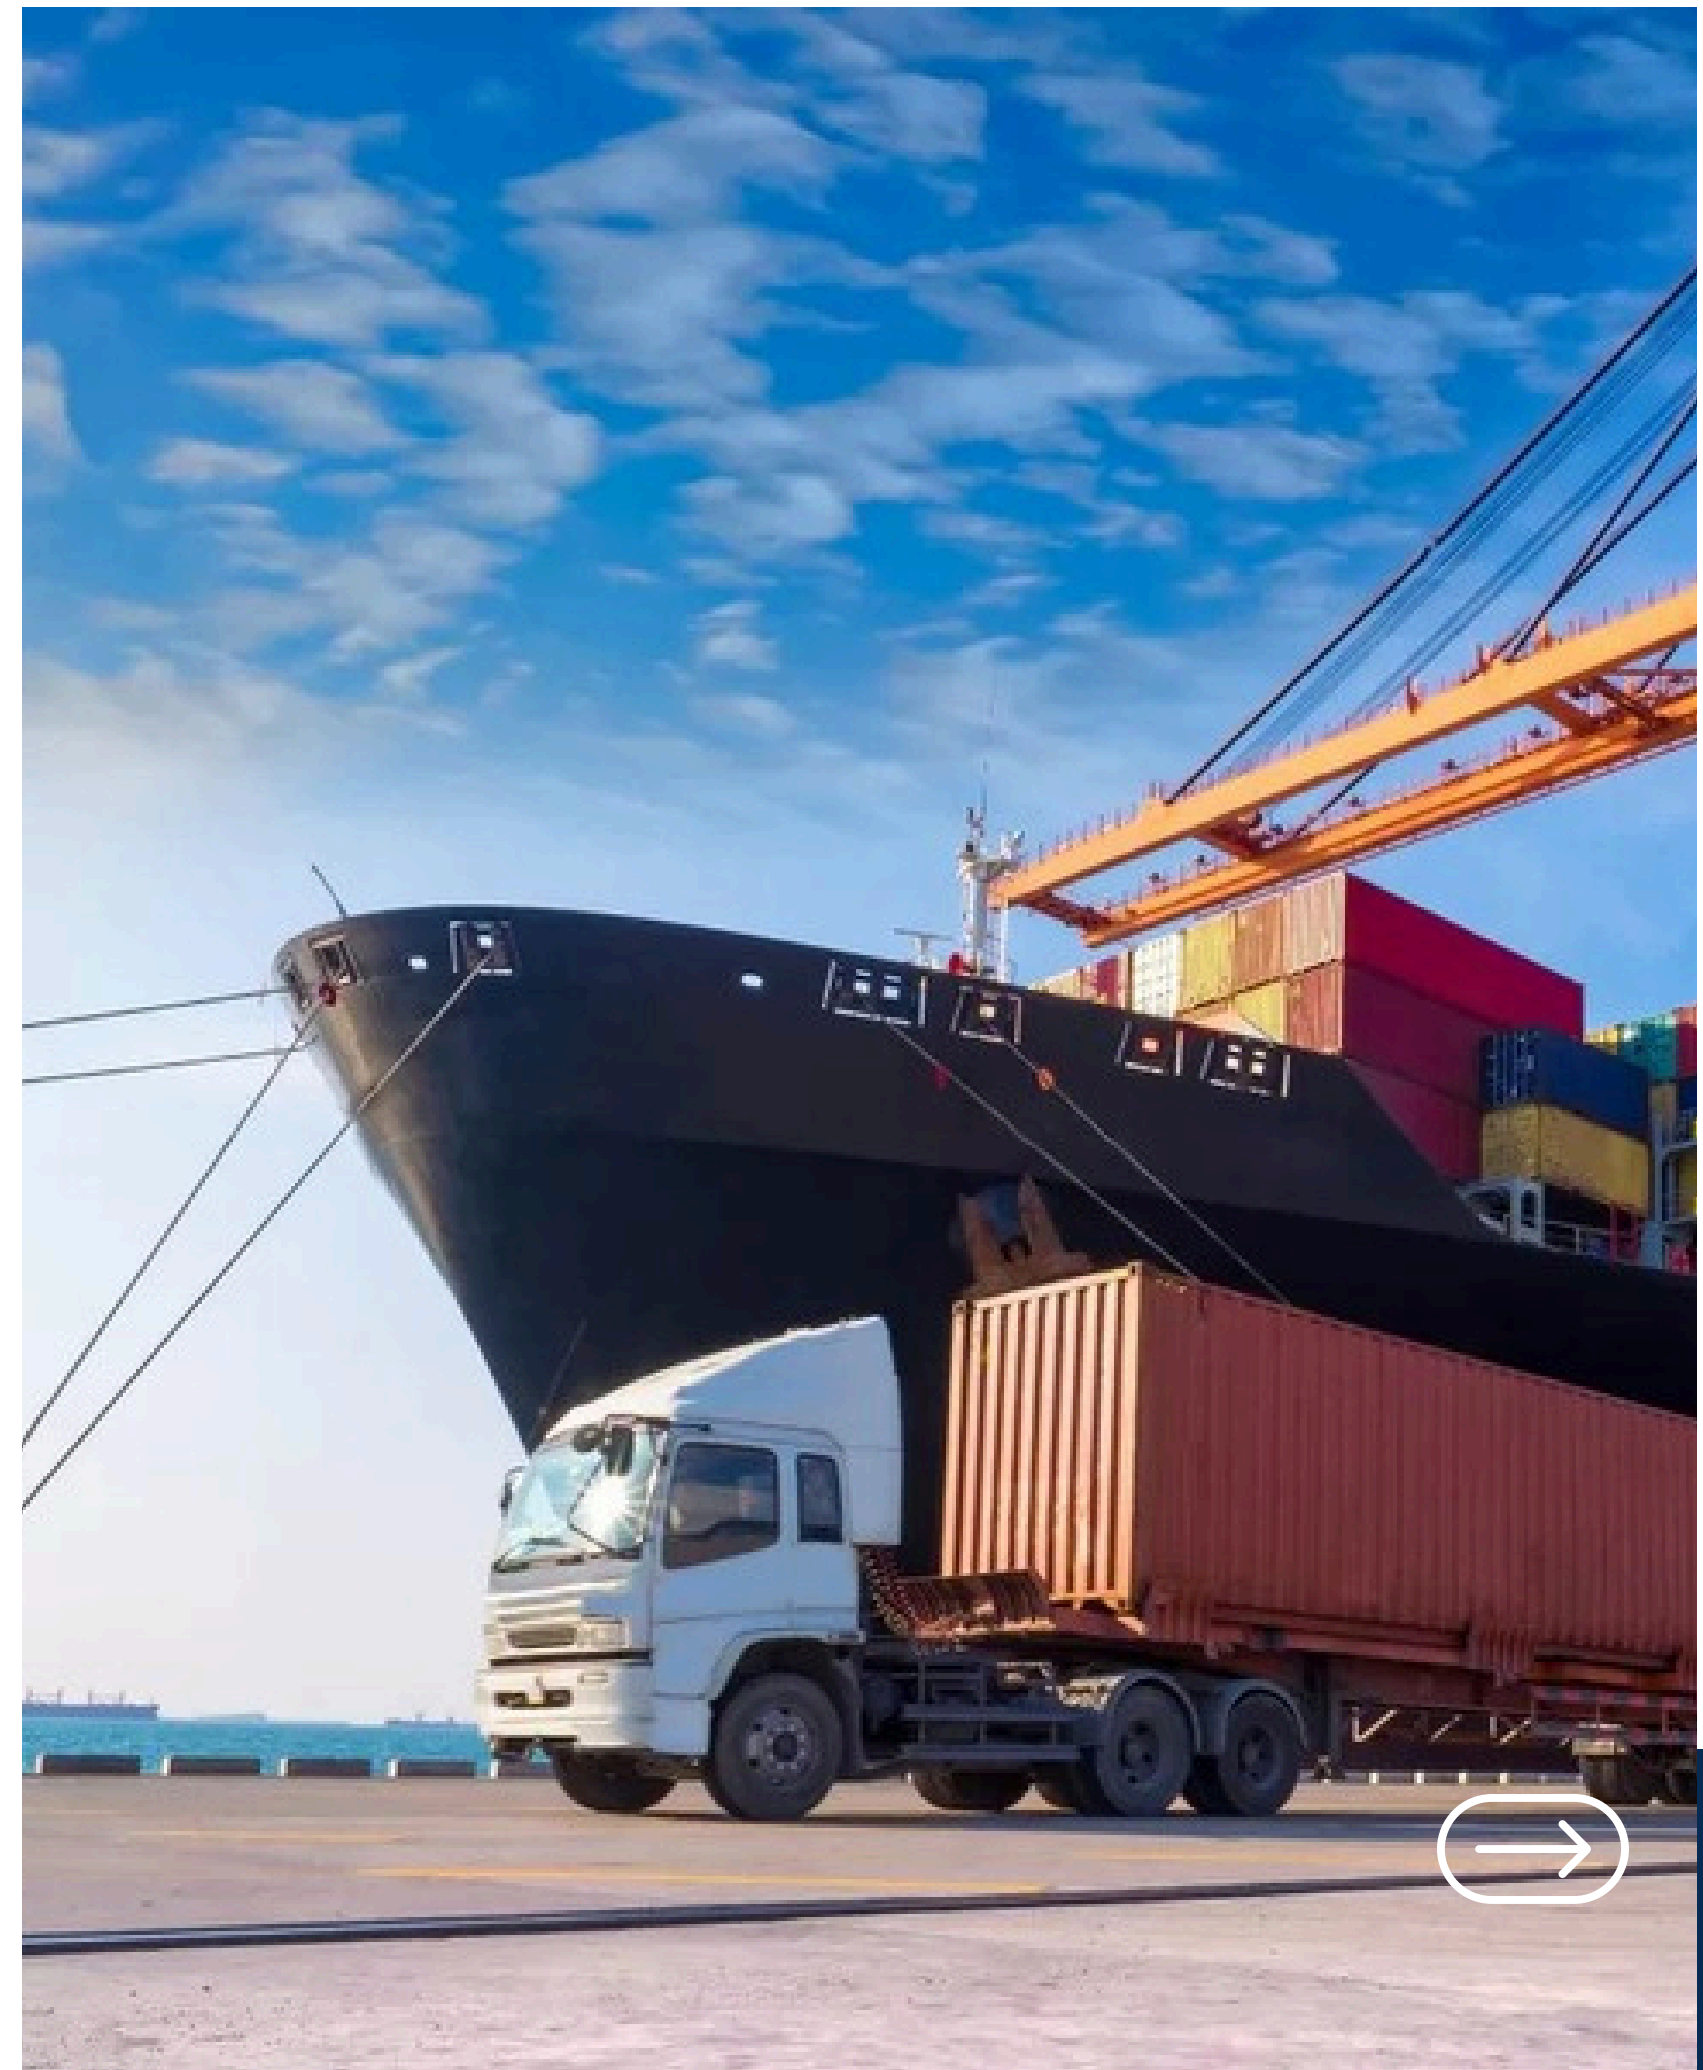

We offer comprehensive ocean freight solutions for large-volume shipments. Whether full container loads (FCL) or less-than-container loads (LCL), our global network and expertise enable efficient, cost-effective sea transport for your business needs

INLAND TRANSPORT

We specialize in transporting various types of containers, including dry container, refrigerated, and flat-rack containers, across local, export, and import shipments. We also provide heavy duty transport services designed to move oversized, overweight, and complex cargo with precision and care.

WAREHOUSE & DISTRIBUTION

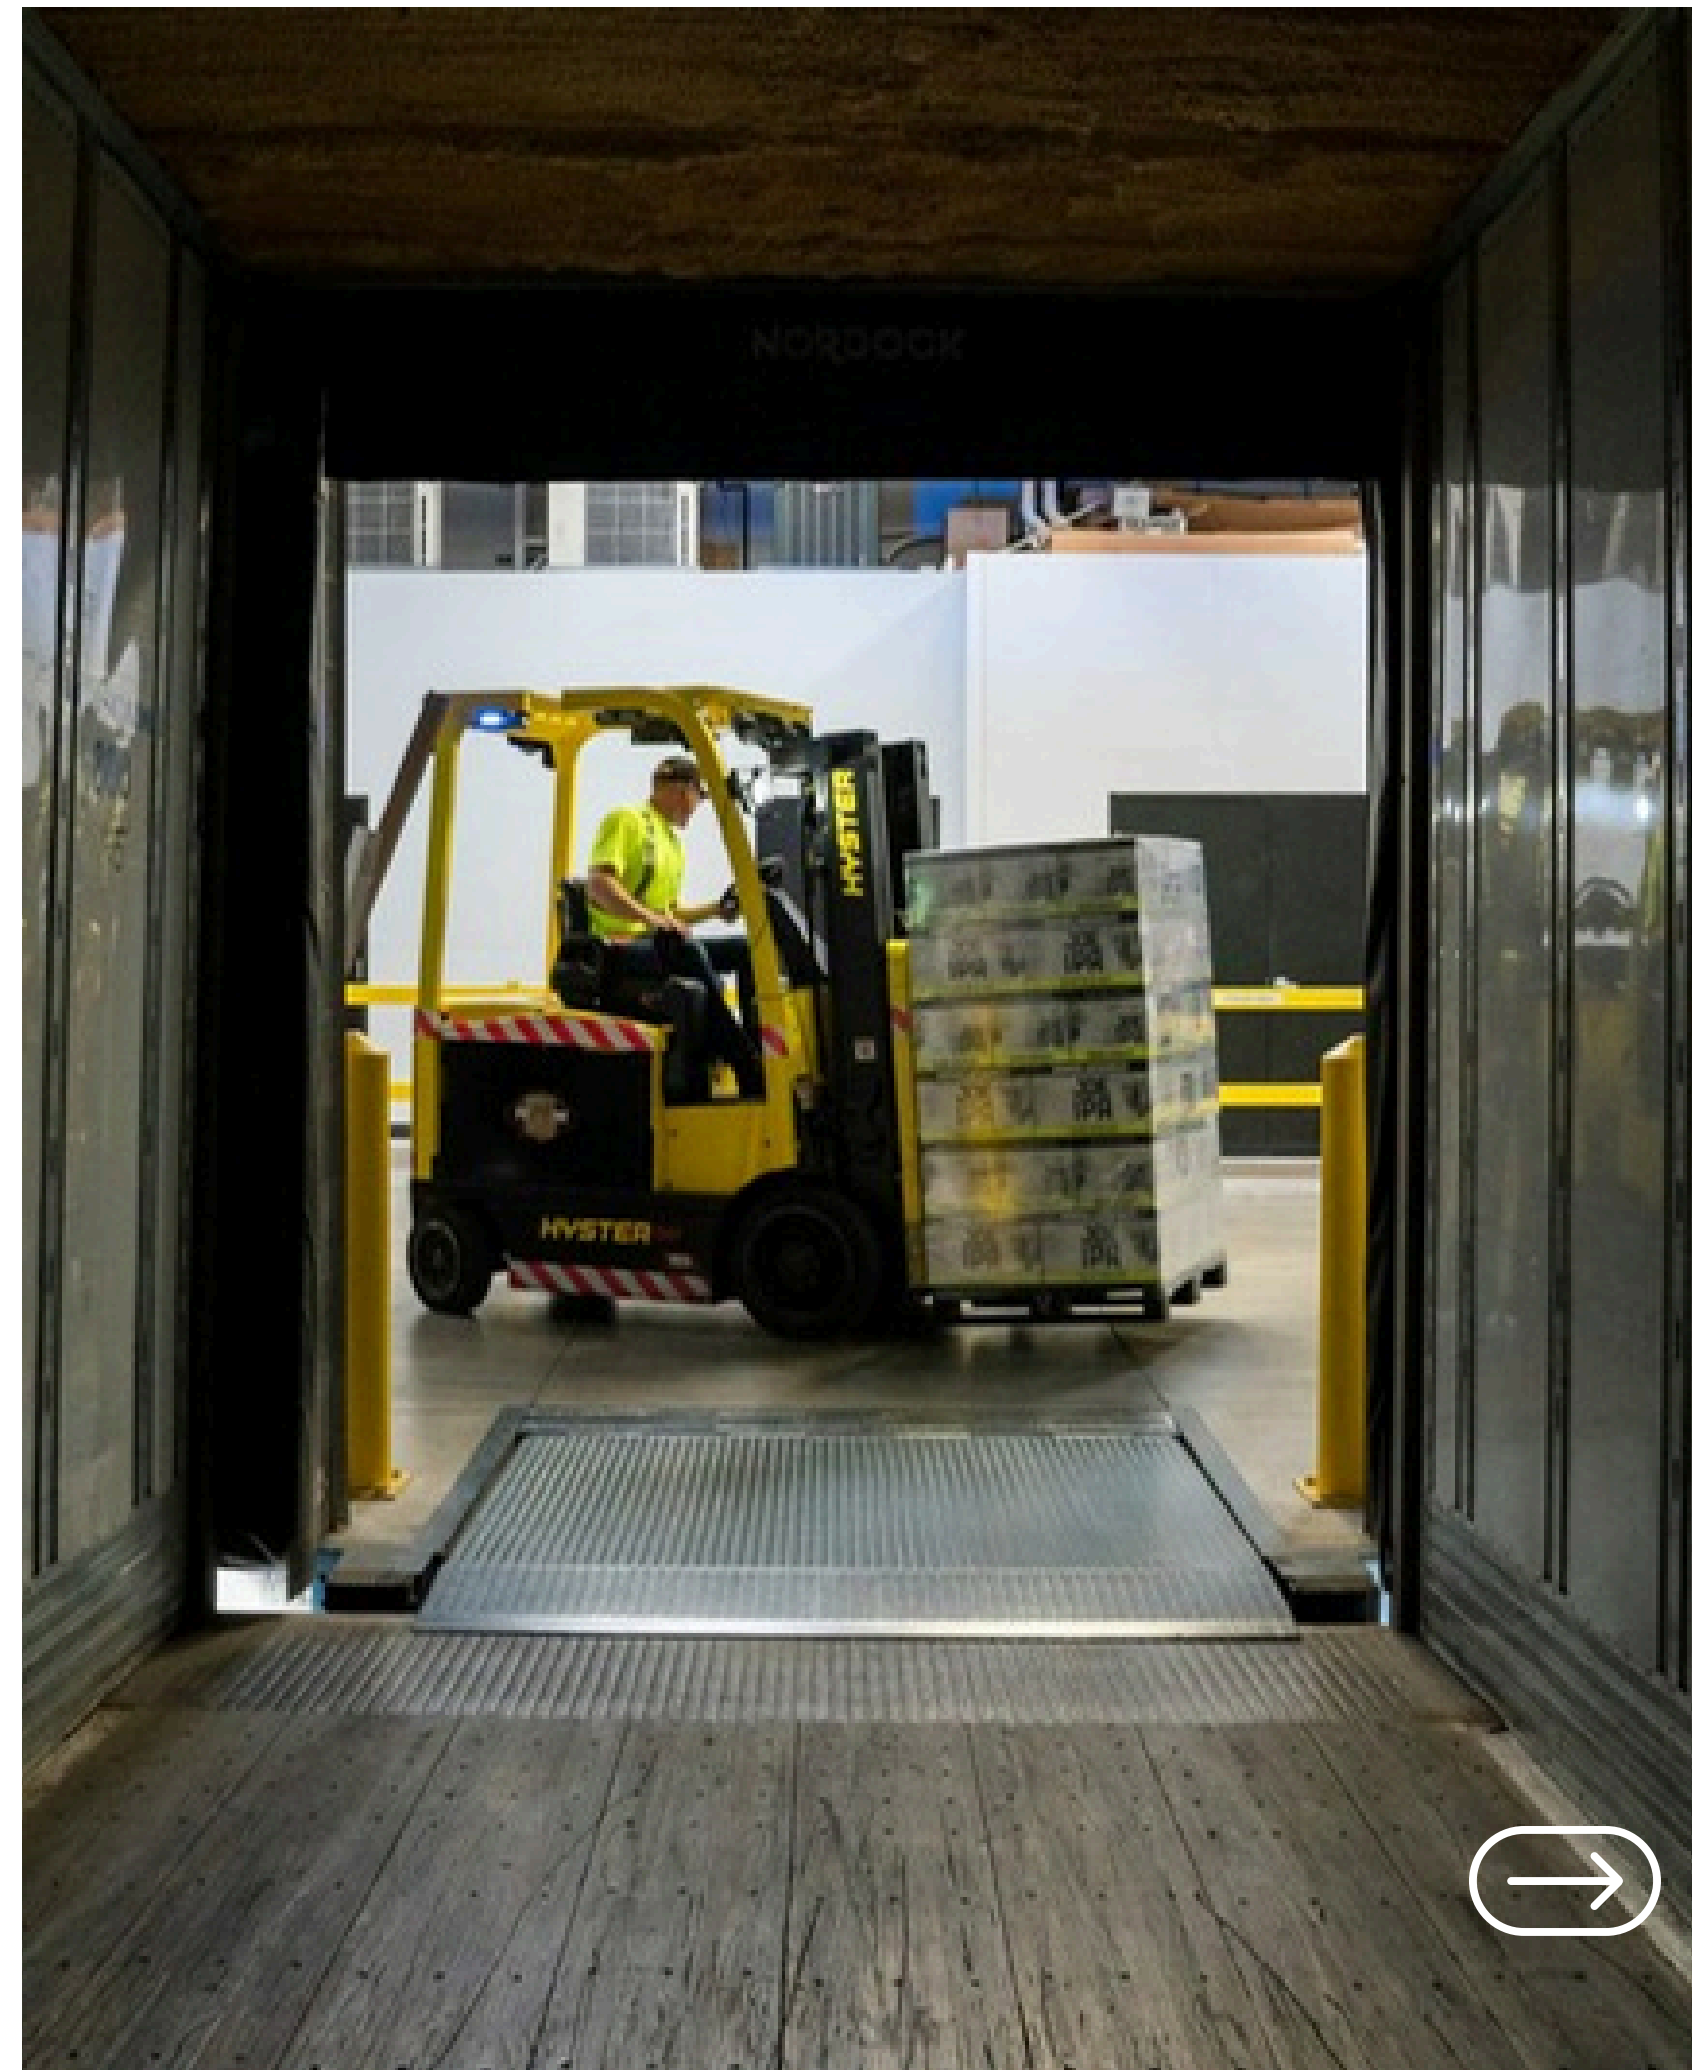

We offer warehouse management services designed to optimize the storage, handling, and distribution of your goods. Whether you need short-term storage or long-term inventory solutions, we provide the flexibility to meet your business needs.

STUFFING & STRIPPING

Our stripping service ensures the safe and organized unloading of goods upon arrival. We take great care to remove cargo from containers, inspect it for any damage, and organize it for swift distribution. With meticulous attention to detail, we ensure that your cargo is handled with the utmost care from start to finish.

CUSTOMS CLEARANCE

We provide efficient handling and clearance services to ensure your shipments meet all regulatory requirements and reach the destination without delay. Our experienced team handles every step of the customs process, from documentation to compliance, ensuring smooth and timely clearance at ports and borders.
